

Comment:

- Every deal should confirm a series process and price by both parties before conducting the shipment.
- LCL consolidation shipping, start from Djcargo warehouse for loading, shipping mark must stick or write down on each out side packaging of the goods before sending to Djcargo warehouse
- Customer can check goods arrival status in djcargo warehouse, use shipping mark to check in inventory system www.mydjcargo.com
- When cargo ready for shipping, customer should provide goods packing list and perform invoice, and consignee information
- Djcargo finance would issue invoice to customer to collect freight cost
- Container reach to Singapore, Djcargo handle import customs declaration, devanning, and delivery

We can do China export tax refund customs declaration, and Singapore GST registered separated import customs declaration
